

Privacy Policy

Before using Many you are required to acquaint yourself with the Terms of Use ("Terms") and this Privacy Policy ("Policy") regulating the collection, processing and use of your personal data. The Policy forms an integral part of the Terms and all definitions and names shall have the respective meaning defined therein. You agree to provide the Provider always only accurate, truthful and current personal data and keep it up to date.

Service provision

You acknowledge that Bettr Dayz s.r.o, Id. No.:54582806, with its registered office at Lermontovova 3, 81105 Bratislava, Slovakia ("Provider") may, as a data controller, process your personal data in a scope specified hereunder as necessary for the performance of a contract arising out of these Terms. The purpose of this personal data processing is service provision which includes, but is not limited to, setting up and keeping your Many account, ensuring Many features and providing support. Minimum scope of your personal data required for a conclusion of a contract with the Provider and setting up and keeping your Many account include your first name, last name, e-mail address, login credentials, language, currency and subscription details. Provision of other personal data is completely voluntary and therefore the scope of the data being processed by the Provider depends mainly on the Many features you want to use.

Sending marketing communications

You acknowledge that the Provider, as a data controller, may use your e-mail address and its details it has obtained in the course of registration to send you direct marketing communications regarding Many. Your e-mail may be used by the Provider until you opt out. You can opt out at any time by clicking on the "unsubscribe" link in the respective e-mail or by another action described therein.

Marketing

You can give the Provider, as a data controller, consent to process your Personal data for marketing purposes, particularly in order to create audiences and otherwise personalise your ad experience, including marketing communications. The Personal data will be processed by the Provider for marketing purposes until you withdraw your consent. You can withdraw your consent at any time within the Many application. You acknowledge that as a part of the personal data processing for marketing purposes the Provider may use profiling to analyse or predict aspects concerning your family status, housing situation, education and employment, property details and economic situation, as well as behaviour in order to deliver you the best ad experience. This profiling doesn't result in any automated decision-making which would produce legal effects to you or would have similarly significant consequence

Service improvement and development

You acknowledge that the Provider may, as a data controller, process your Personal data for the purposes of legitimate interests in improving and developing Many pursued by the Provider, which includes also anonymization of the data. Where possible the Provider will use for this purpose only anonymized data. The Personal data will be processed by the Provider for the purposes of legitimate interests in improving and developing Many only for the necessary period of time, maximum until you or the Provider will terminate the Agreement. You acknowledge that as a part of the personal data processing for purposes of legitimate interests in improving and developing Many the Provider may use profiling to analyse or predict aspects concerning your family status, housing situation, education and employment, property details and economic situation, as well as behaviour in order to develop new features and test them. This profiling doesn't result in any automated decision-making which would produce legal effects to you or would have similarly significant consequence.

Recipients and transfers to third countries

The Provider may appoint third parties – data processors to perform some of the personal data processing operations, however only for the purposes specified in this Policy, on a basis of written agreement and under statutory conditions.

Otherwise the Provider does not transfer or disclose your Personal Data to any third parties unless you have consented otherwise under this Policy or initiated the disclosure or except as required by the applicable laws.

Sharing your Personal Data with other users of Many is completely under your control.

Data processors being used by the Provider include:

- Google Commerce Limited, 70 Sir John Rogerson's Quay, 2 Dublin, Ireland
- Google Inc., 1600 Amphitheatre Parkway, Mountain View, CA 94043, USA

The list of our third parties privacy policies may be found here:

<http://www.google.com.au/analytics/learn/privacy.html>

For the transfer of personal data to the USA, there is no Commission decision on adequate protection and therefore the transfer is carried out on the basis of appropriate safeguards in the form of standard data protection contractual clauses as approved by the European Commission. A copy of your Personal data can be obtained from the data processors through the Provider.

Your rights

You acknowledge that in relation to the Personal data processing you have the right to access your Personal data. If you find or presume that the Provider or any of data processors is carrying out processing of your Personal data which is in contradiction with the protection of your private and personal life or with the law, you are entitled to contact them with a complaint concerning the processing of your Personal data and ask for explanation and/or require them to remedy the arisen state of affairs, in particular by blocking (from 25. 5. 2018 "restriction of the processing"), rectification, supplementing or liquidation (from 25. 5. 2018 "erasure") of your personal data. You acknowledge that you have also right to object, on grounds relating to your particular situation, to processing based on legitimate interest (service improvement and development), including profiling (from 25. 5. 2018). You furthermore acknowledge that you have also right to object to processing for direct marketing purposes (from 25. 5. 2018). Where you object to processing, the Provider will no longer process your Personal data for the respective purposes. You acknowledge that you have the right to receive your Personal data, which you have provided to the Provider, in a structured, commonly used and machine-readable format and the right to transmit those data to another controller without hindrance from the Provider (from 25. 5. 2018). In exercising this right, you have the right to have your Personal data transmitted directly from the Provider to another controller, where technically feasible. The export feature of Many allows you to receive your personal financial information data at any time.

Sign in with Apple

You acknowledge and agree that if you have chosen to anonymize your user data as part of Sign In with Apple and later you decide to link your Many account with your Facebook or Google account or you connect your bank account or other financial service to your Many account, your anonymized data may get linked with information that directly identifies you.

Technical Data

You acknowledge that Provider may collect and use technical data, including but not limited to information about your mobile device and system, Internet connection or your use of Many application. The purpose of the collection of technical data is to ensure quality, increase your comfort and further analyse and develop Many and related services. Technical data is anonymous and stored separately from the Personal Data, therefore it cannot be linked back to you in any way in order to identify you.
